Hey, everyone

I'd like to set-up a mtg in late 10/08 or early 11/08 between DEQ & EPA to discuss overall goals, scope-of-work, & schedules for **upland work** (both source control & RI/FS) & **in-water work** (both early action & RI/FS) in the Gasco/Siltronic/Arkema/Rhone Poulenc area. I'd like Kristine, Sean, & Deb to attend from EPA..., Chip, Eric, &/or others (Rene, etc) are welcome but let's try to keep it to a fairly small group. I'd like to bring Dana B, Matt, Dave Lacey (DEQ's new Rhone Poulenc PM), & me..., Keith, you're welcome to attend too.

I'll be happy to work out an agenda & desired outcomes of the mtg, but for now, please let me know what your availability in late 10/08 & early 11/08 is for a half-day mtg. Since most of us are in Portland, I expect the mtg will be in Portland, but we can consider Seattle or Centralia.

Thanks

Jim Anderson
